ACADEMY WHITEWASHED ASHLAND

N. F. A. massacred the Ashland club of Jewett City Thursday afternoon on the campus, rushing the ball over the line four times and kicking two of the goals. The final outcome was 25 to 0, and this with the second string N. F. A. team playing a goodly share of the time. Ashland was hopelessly outclassed, and, had a big score been Coach McKay's only aim he could easily have piled up a laughable score, but such was not the case for he chose rather to try out every substitute and get a line on their abilities and possibilities.

Captain Whitney is credited with four touchdowns the fourth being the culming. Reid, Williams and Boynton in the backfield played well, showing improvement in interference, Young and Crocker performed in their usual snappy man-

Strington was beaten by Buckeley by a score of 7 to 0, a short while ago, so the relative merits of the Norwich and New London teams may be determined to some degree by Saturday's conflict. The crowd at Thursday's contest was rather small, but inoffensive. However, Manager Ballou is preparing for a record breaking rush of customers for Saturday.

Wednesday I received a tip that Moos up was trying to double cross me and a made a flying trip to Providence in order to adjust matters if possible so that the fans would not be disappointed. I happened to be a participant in that game and doubt if there was ever a greater pitchers' bat-tle staged on any ball ground. Nichola fanned 18 men and allowed two hits, the only two men that got on. Bader fanned 20 men and allowed no hits, only one man reaching first base, and he as the result of a base on balls. Sporting Editor of Bulletin: I have been asked to make it clear to I have been asked to make it clear to you that No Hit Jack Cooney and myself will appear in Moosup Sunday. I made a special trip to see Managers Lauren and Chase, and it cleared everything up. Manager Lauren of Moosup has my signed agreement that we will appear there. It was the only agreement I had made for Cooney to pitch and the only one that he has made with me to pitch. As there has been a iot of talk going around about this boy I hope you will give me a little of your valuable space to show that he lives up to his word and pitches Sunday in Moo-

ASHLAND PARK SUNDAY
In order that the baseball fans who are planning to attend the big game at Ashland Park Sunday shall not be disappointed. I wish to contradict my own statements and advertisements to the effect that John Cooney would be pitching for Roy Rock's All Stars.

The trouble is that there are too many finances in Cooney's pie of deatiny.

Roy Rock will personally appear with his All Stars, and in addition to the guarantee for his club I have agreed to pay in addition the expense of securing, if possible, "King" Bader, former Red Sex hurfer in order that the fans may not be disappointed.

DENIED REPORTS THAT BOUT

AT JERSEY CITY WAS FAKED

New York, Oct. 14.—Reports circulated in sporting circles and published in some newspapers intimating that the bout Tuesday night at Jersey City between Georges Carpentier and Battling Levinsky was not fairly fought, tonight brought strong denials from the principals and others interested in the contest.

"Before I came to America," said Carpentier in a signed statement, "I looked upon all Americans as the personification of fair play; of sportsmanthe National League members in extend-ing na urgent invitation to the league and club presidents of the American

belief that public sentiment will brook no delay where such vital matters as the good repute of the national game the protection of all honest players and the protection of immense property rights are concerned.

"In my judgment, it is a fortunate coincidence that the Cook county grand jury is to continue its investigations during the time of our meeting. This gives us the ideal opportunity to aid personally the court and the legal representatives fo the state of Illinois in the great work they have undertaken."
